Introduction

In India, the political field is important like most of the other fields in the Indian society. During the British field, also our Indian politicians are were also participated in the freedom movement. The famous politicians like Jawaharlal Neharu, Sardar Vallabh Bhai Patel are were also part of our political field. But after freedom, the Politicians like Lal bahadur Shastri, Indira Gandhi, Vajpayee, P.V.Narasimha Rao, Oramod Mahajan, Sushma Swaraj shined like stars in the national and international level. Most of the politicians are the multi party oriented politicians and they are having. Their own political background. Most of the time, people mare saying that politics is not for

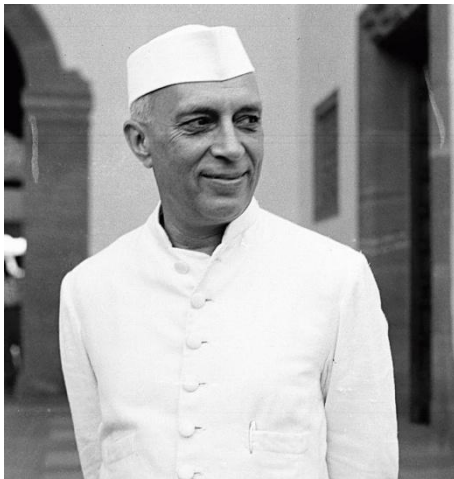

every one. But some politicians are proved that, by having normal background, they reached to the top level in politics.

Methodology

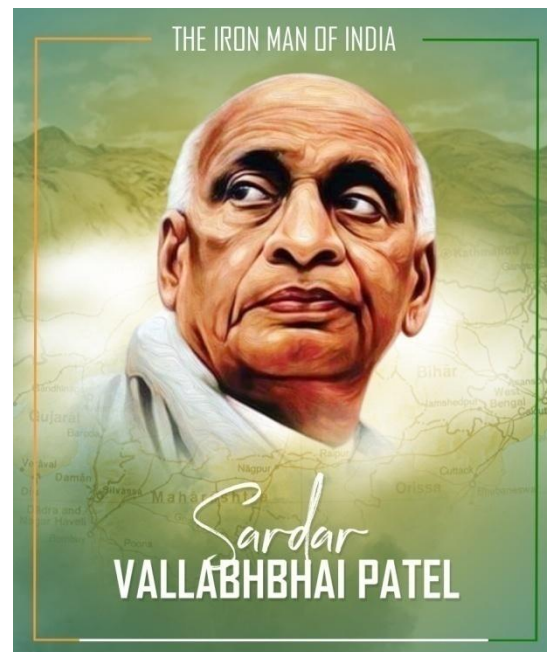

In this methodology, we can say that India is having a good number of politicians. Before independence, there were a number of politicians who were also contributed to freedom movement. Jawaharlal Neharu was the famous leader even in the freedom movement and who became first prime minister in the independent India.

Neharu who was a famous advocate, also considered as the “ architect of Indian foreign policy” During the cold war, he formed the Non Align Movement. After this, so many countries followed the example of India and it is also termed as neutral policy. He wrote so many valuable books like “ Discovery of India.” Glimpses of world history. My autobiography. The Discovery of India was became TV programme in Delhi Doordarshan as “ Bharath Ki Ek Khoj” . Sardar Vallabh bhai patel was the first home minister and deputy prime minister of India. He was considered as the “iron man of India” and merged all 552 states in to

Indian union.

Sardar Vallabh bhai Patel was a famous advocate and actively participated in freedom movement. His contribution as ‘; iron man of India’ as the merger of states in to Indian union is remarkable.

JayaPrakash Narayan JayaPrakash Narayan who was popularly called as J.P. was a famous leader and actively participated in freedom movement. He was a socialist party leader and one of the co-founder of Janata Party.

v

Jaya Prakash Narayan was also actively participated in “ Bhoodan Movement” with Acharya Vinobha Bhave and dedicated his life to Gandhian principles. He was called by people lovingly “ Loka Nayaaka”” which means the

“Leader of the people”

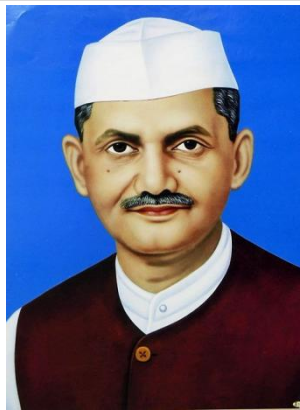

Subhash Chandra Bose: Subhash Chandra Bose who was popularly called as “Netaji” was an admirable character. Subhash Chandra Bose, the founder of “Forward Block” was a great person in our Indian history. He passed I.C.S. exam and still became an active member in freedom movement. He was having the strong dream of driving out British from India, and dedicated his life to freedom movement.

Subhash Chandra Bose escaped from house arrest and went to Germany and met the dictator Hitler and requested the help to get freedom to India. He founded “Indian National Army” and tried to release the India from the clutches of British. He is still a great inspiration to India.

Lal Bahadur Shastri:

Lal Bahadur Shastri was the second prime minister of India after independence. He was also worked as union railway minister. When one railway accident was happened, he has taken voluntarily responsibility and resigned to his post. The slogan “Jai Jawan, jai Kisan” given by him was inspired the farmers as well as soldiers.

During his period, India was successfully faced the Pakistan in 1966, and he signed the Tashkent agreement. Truly, he is a strong inspiration to our young generation.

H.D.Devegowda: H.D.Devegouda is originally from Karnataka state, became prime minister with the external support from Congress. Before this, he was also worked as a chief minister of Karnataka, he was considered as “Son of the Soil”.

He worked as a prime minister of India and still he is inspiration for youth generation for his interest in life. Now he is the member of Rajya Sabha.
